Hause Actuarial Solutions, a full-service actuarial consulting firm in Overland Park, Kansas, formally announces the change of ownership of the firm.

Randall A. Stevenson ASA, MAAA, and Jeff Yeatman, ASA, MAAA, after decades of serving clients as part of the Hause Actuarial Solutions team, have purchased the firm from Christopher H. Hause, FSA, MAAA. Chris will remain active with the firm on a short-term basis.

Under the new ownership Hause will not modify the management and policies of the firm and assure all current and prospective clients that the firm will sustain the reputation and standing that we have managed to build for over the last 25 years. The supreme quality of work products and client centric services will remain the same. Our valued clients have built us into the firm that we are today and have trusted us from the very beginning, for which we are very thankful. Expect to continue to experience that same level of expertise and devotion.
